

# POP-UP WALLS

Pop-up walls are the most effective display to help you get noticed and stand out from the crowd. A fantastic eye-catching backdrop for speakers at a press conferences, seminars or award ceremonies as well as exhibition display for trade shows, promotional marketing and advertising campaigns.

The pop-up wall is totally portable and folds up neatly into a transport case (with wheels) which doubles as the display counter once assembled.

- Light weight and portable
- Transport case doubles as counter
- NO minimum order quantities
- Curl-free sublimation textile print

Other sizes and styles are also available to suit almost any application. No minimum order quantities and fast turn-around.
