

DISPLAY COUNTER

This counter display unit is light weight and easy to assemble, making it perfect for use as a temporary sales counter or for in-store product demonstrations. The base and header are supplied with a permanent printed graphics panel to create visual impact and presence while drawing attention to your display. The counter folds flat for easy storage/shipping and is supplied complete with fascia panel, support poles, a shelf and a zipped nylon carry bag.

- Light weight and portable
- Easy to clean
- NO minimum order quantities
- Storage shelves inside the counter
- Includes nylon carry bag

Display counters are printed and assembled in Australia so our production times are FAST!
